My husband, son and 6 17-year-olds are staying in Avon this week (celebrating my son's graduation from high school). I am interested in having late lunch/dinner sent to them as a surprise and just wanted to check if you would be able to delivery and if so and idea of what to send and pricing.

Our response: The wraps that travel the best include the Crispy Wrap, the Club Wrap, the California Wrap and the Turkey, Turkey Bacon Wrap. We cut them into fours for easier serving, and we suggest three pieces per person, BUT since you are feeding 17-year olds, you may want to consider offering the full four pieces/person. It includes a family-size bag of potato chips, but I can also suggest mac-n-cheese, potato salad, cole slaw, baked beans or French fries.

Customer feedback: **THANK YOU. GREAT food and service** ... ordered surprise take out delivery/catering for my husband, son and friends who were staying in Avon (I was home in NJ) ... staff was very helpful in arranging and making suggestions ... everything was perfect ... delivered on time and hot ... they LOVED the surprise and raved about the mac-n-cheese ... they were WILD about the wraps and tuna burgers ... Thank you for taking care of my family while they were away from home !
